Master of Stables – HE Steinn

- **Armoured** - HE Steinn (Warrant Expires 09/07/2026)
 - Armoured practice continues in Westbank on Thursdays. Due to a lack of attendance, practice was canceled twice this past month. Will discuss with participants to decide on what schedule to follow.
- **Archery** - Teitr (Warrant Expires 02/07/2026)
 - No report at time of posting
- **Rapier** - Gawain (Warrant Expires 02/07/2026)
 - Rapier continues well, we have consistent attendance as well as teaching activities happening for all levels. We had a Phoenix Tournament this month that went well, Schmidt was the winner.
- **Cut & Thrust** - Lord Tobias (Warrant Expires 02/04/2026)
 - Cut and Thrust had 4 practices (skipping the week rapier had the Phoenix Tournament), with a peak of 12 participants, and an average of 7 across the month.
 - Nothing new to report, no new updates on the armour situation.

Arts and Sciences – Archibald Archer (Warrant Expires 11/12/2025)

- A&S Activity for this month:
 - Usual attendance at A&S practice, inquiries from some of the university students on fight garb/back of head for rapier.
 - A&S&B night had six in attendance, with two doing bardic.
 - Peachland Little Schoolhouse has been booked for October to December nights.

Chatelaine – Reagan (Warrant Expires 10/25/2026)

- Nothing new happened, and I received no new messages.

- I am looking into some other things to do regarding demos; I don't have anything figured out yet.

Scribe – HE Taliesin (Warrant Expires 02/07/2026)

- Scribal evenings at Fighter Practice are proceeding as normal on the 1st and 3rd Thursdays of the month. Currently we have 6-8 people participating in panting charters.
- The group has been active as we were able to acquire a new batch of both Principality and Kingdom charters.
- We sent 4 Principality and 1 Kingdom charter to be passed on at Golden Swan. In addition, we finished 7 Principality and 2 Kingdom charters, which will be delivered to November Coronet. I am anticipating receiving additional Principality charters from November Coronet so we should be well supplied for the coming weeks.
- HACC also is back for the new school year and Scribal activities have resumed on the 2nd % 4th Tuesdays of each month.
- Also, as a result of November Coronet I will be supporting some of the Scribal needs for the new Heirs of the Principality. I will be providing calligraphy for their charters and will assist in facilitating charter distribution and collection for the Interior.

Webminister – Lord Drazhan

- Nothing major has happened, just routine plugin updates and uploading of meeting minutes.
- I am looking into the requirements for relatively major updates; I may need to change the solutions we use for security and backups for a seamless transition.
