- **Armoured:** HE Steinn
 - Armoured practice on Thursdays at the Peachland Community Hall. between 2- 6 participants per week.
- **Archery** - Teitr
 - There were 2 archery Practices held in July. The July 7th practice had 2 participants who shot royal rounds. The July 21st practice had 6 participants among which, 3 shot shot royal rounds.
- **Thrown Weapons** - HE Olen
 - No report at time of posting.
- **Rapier** - Gawain
 - Rapier this month was quite successful!
 - No incidents to report
 - We made good use of the gym
 - I'd like to directly thank Tobias for supporting me when I couldn't make it to practice at the beginning of the month.
 - We held a practice phoenix tournament organized by Schmidt and Enoch.
 - Drazhan won the tournament and will organize the next one in 3 months.
 - Numbers this month were good; I would guess around 14 average attendees. (don't have sign in sheets atm, as they are with exchequer)
 - There was a change to our ruleset recently. Reduced armour was partially passed for Kingdom: meaning reduced back of the head protection, and exposed skin on limbs but torso still needs to be puncture resistant as per previous rules.
- **Cut & Thrust** - Lord Tobias
 - There is nothing to report for August.

Arts and Sciences – Archibald Archer

- No report at time of posting

Chatelaine – Master Murdoch

- Not much happened this month. I have given my contact info to my contact with the Scottish Festival to facilitate planning for next years event.

Scribe – HE Taliesin

- We continued to hold Scribal Nights, in conjunction with our Weekly Fighter Practices, on the 1st and 3rd Thursdays of each month.
- Our attendance fluctuates from week to week but we have a core of 3 or 4 people weekly, with 2 or 3 others that pop in from time to time.
- July was a quiet month. With access to a larger space, the format was changed for the summer.
 - 1st Thursday - Calligraphy Class - Uncial Unfortunately, there were no students for this class. It became apparent that a couple of people forgot about the scheduled class. So, it will be necessary to perhaps to more promotion/reminders.
 - 3rd Thursday - Scribal Painting Evening. Turnout was low, because of the forthcoming Lions War. The secondary focus was to collect any outstanding charters for the current Principality reign. These will be sent along for August Investiture.
- We currently have no Kingdom or Principality Charters on hand. I look forward to receiving charters for both the new Principality & Kingdom reigns, for the Fall
- The Historical Arts & Combat Club is now closed for the summer and it is anticipated that Scribal support will resume in the Fall. I will continue to attend on the 2nd and 4th Tuesdays of each month, offering Painting and Calligraphy support (classes).

Webminister – Lord Drazhan
