Officer Reports

Seneschal – HE Steinn

- Organized Agenda for September.

Exchequer – HL Madire

- Account balance: 10,955.06

Herald - Johan Jacob Guggenheimer

- Did voice heraldry at September crown and can't wait to do more in the shire.

Master of Stables – HE Steinn

- **Armoured:** HE Steinn
 - Armoured practice at the Peachland Community Hall has been going well. 3-6 participants every week in August. Will have the indoor space for September until January. Took care of sign in the last week in August as Gawain was away. No practice
 - September 5 as the hall is not available.
- **Archery** - Teitr
 - There is nothing new to report for the month of August.
- **Thrown Weapons** - HE Olen
 - No report at time of posting.
- **Rapier** - Gawain
 - Rapier practice went well this month. We had very good numbers. Thanks to those that were able to make last week's practice happen despite so many of us not in attendance. There is nothing specific to report, other than August was our last month in the large gym and I'd say we made good use of the space while we had it.
- **Cut & Thrust** - Lord Tobias
 - We had 2 Cut and Thrust practices in August. Interest was really high and we had 9 participants.
 - To grow C&T we will need to look at getting C&T loaner equipment, and find space for practice as C&T takes much more space per person than rapier does.

Arts and Sciences – Archibald Archer

- July 11th - Leather pouch making class, 8 attendees

Chatelaine – Master Murdoch

- There were no new inquiries this past month.

- However, I have been in contact with Cottonwoods as to the proposed demo in late September. I am awaiting the Councils input as to the best date for this demo. Shire List fields were requested to be borrowed for September Crown 2024. They were transported to and from Crown without incident and now once again reside safely within the Shire once more.
- Reagan take over as Chatelaine starting in November
- Murdoch will stay on as deputy during the transition
- Murdoch will continue on as lead for the Cottonwood demo

Scribe – HE Taliesin

- August was a quiet month.
- Attendance for the painting evening was low but we were able to collect many of the lastt Principality Charters for the outgoing reign. These were delivered to August Investiture for their closing court.
- There were no students for the Calligraphy class offered. I may conduct a poll on our social media to determine what (if any) interest there is any Scribal/Calligraphy classes, as we move forward
- I have a supply of charters for the newly invested reigh available for painting this Fall.
- HACC are currently sorting out their space requirements for the Fall Term. Assuming there is space for A&S and Scribal classes could resume as early as October.

Webminister – Lord Drazhan

- Nothing to report
